Update Regarding Claim Denials with Edit Code 0178

Update to [Web Announcement 1580](#): Claims submitted before December 18, 2017, with valid diagnosis codes that denied in error with edit code 0178 (Invalid/missing principal diagnosis) when the claims were reprocessed have been automatically reprocessed to adjudicate correctly. Results of the reprocessed claims appear on remittance advices dated June 1, 2018.

Please note: When claims are reprocessed, please be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received.
